## eWisacwis

- Bob Kiel – [Robert.Kiel@wisconsin.gov](mailto:Robert.Kiel@wisconsin.gov)

# Agenda

- Review of changes in 2013
- Preview for 2014
- Hint, Tips and Questions

# Status

## Ongoing Standards Implementation

### Wisacwis

- Introduced - October 2012
- Phase 2 - February 2013
  - Copy over
  - Notice to relatives
- Ongoing Updates and Improvements - thru Feb 2014
- Phase 3 - TBD
  - Structured case note functionality
  - Court report modifications

# Updates in 2013

- CSE Updates
- ASFA Exceptions
- Current and Proposed Permanence goals
- Documenting Goals & Services
- Pending assessment pre-fill
- Safety Services
- Relative/Non-Relative Search

# Confirming Safe Environments

## February 2013

- The narrative field "Describe and justify why this caregiver is able to provide safe, stable care for this child" will no longer appear when the answer to the associated background check question is 'No.'
- Reconfirming Safe Environments added.
  - While a child resides in out-of-home care, the safety of a specific placement must be evaluated and confirmed every six months or at the review of the Permanency Plan,

## October 2013

- For licensed foster home placements the subsequent visit field now displays.
- The field asking the worker to describe the relationship is no longer required if the worker answers 'No' to the questions if the child is a relative or if the provider has a previous relationship with the child.

# ASFA (Adoption Safe Families Act) Exceptions

ASFA Exceptions are required at 15 of 22 months in out of home care

- This is a point in time determination
- This exception does not prohibit the agency from pursuing a TPR at a later date

# ASFA Exceptions updates:

## June 2013

- ASFA pre-fills regardless of which case it was completed on.
- The Perm Plan only looks to the 22 months prior to the plan date when determining if the child meets the 15 of 22 month requirement.

## October 2013

- ASFA Exception information now pre-fills if an ASFA exception was created and 'not approved'.

# Current and Proposed Permanence goals

February 2013

- On an “Original” Plan, only the “Proposed Permanence Goals” group box will display
- On a “Subsequent” plan, the “Current Permanence Goal of Record” group box will also display.
- On subsequent plans, the Proposed Permanence Goals information copies from the prior plan to the Current Permanence Goal of Record section.
- The “Anticipated date the permanence goal will be achieved” field has been moved to the Proposed Permanence Goals group box.

# Goals & Services

February 2013

- Medical/Mental Health providers, case participants, or case collaterals can be assigned as the Responsible Person/Provider field for goals and services.
- Import Functionality - A new page can be used to import or copy conditions/objectives, goals, and services from other Case/Permanency Plans into the plan that the worker is currently working on.
- Display History
  - Allows workers to see the objectives/conditions, goals, and services for a specified period of time (outside of the 6 months prior to and 6 months after the Plan Date of the Case/Permanency Plan) for the child(ren).
  - History of Planning and Services template

# Goals & Services

## June 2013

- New Service Categories have been added for goals & services on the Case/Permanency Plan. They are Family Interaction for Parents/Caregivers goals; Family Therapy for Family goals; Psychological Assessment for Parents goals; and Psychological for Child, Parents/Caregivers, and Family goals.

## October 2013

- The Case Plan template was updated to allow the Status of Service to combine the 'Status of Service' and the associated 'Describe' fields from the Case/Permanency Plan page.

# Initial Assessment Pre-fill

February 2013

- Allows workers to associate Medical/Mental Health providers, case participants, or case collaterals to the Responsible Person/Provider field for goals and services. Workers will continue to be able to associate a provider or worker to the goals and services.
- A new page “Goals and Services Summary” can be used to import or copy conditions/objectives, goals, and services from other Case/Permanency Plans into the plan that the)

# Safety

October 2013

- On the Case/Permanency Plan, language was added for the Diminished Protective Capacities to clarify that the Diminished Protective Capacities identified are areas where enhancement is needed.
- The new language also appears on the Case Plan and Permanency Plan templates

# Relative/Non-Relative Search

February 2013

- Allow for the documentation of non-relatives.
- A deceased checkbox has been added to the page to indicate the relative/non-relative is now deceased.
- Notification of Placement
  - This previously displayed as the “Notice to Relatives” on the desktop under Agreements and Notices. In this release, the ‘Notice to Relatives’ has been renamed to ‘Notification of Placement’ and will be located under the Planning icon.
  - Additionally, this notification is now created on the Notification of Placement page, accessed via the Relative/Non-Relative Search page (it is no longer created from Placement/Services). After documenting a relative, the notification can be created. The notification will continue to allow multiple children to be added to the notice.

# 2014...

Coming in February:

- Page Navigation and Layout
  - Placement tab
  - Well-Being Tab
  - Planning and Services Tab
  - Action Items from CANS

# Tips/Frequently Asked Questions

- Future dating plans
  - A future date is encouraged to bring in any additional applicable information (Out of Home Placements and Services; Confirming and Reconfirming Safe Environments; Family Interaction Plans; Education; Medical/Mental Health; Independent Living; Safety Assessment, Analysis and Plans; and CANS) each time the plan is opened, without having to enter a new date each time.
- CPS Person Type
  - A CPS person type is system driven and is set two different ways: 1) The child is an alleged victim on an Access Report; 2) The child is a participant in an unsafe Safety Assessment, Analysis and Plan (SAAP). If a new SAAP is later completed with a safe finding and a safe finding exists on all cases where the child is a participant, the CPS person type becomes unchecked

# Tips/Frequently Asked Questions

- Frequency & Duration – Use the values which best represent the anticipated frequency or duration. Any additional details can be put in the narrative field.
- CSE & CANS
  - A CANS is not required to complete a CSE, it is ok if the CANS section is blank.
  - CANS data will automatically pre-fill if available.
- Action Items from CANS
  - All action items for the child must be addressed by one or more services (even the 1s)
  - In home cases – While a CANS is not required for In home cases at this time, if a CANS has been done any action items for the child should still be addressed with a service.
